**Transport charges / Scale**

<b>A</b> Article <= 15,00 kg    Value of ordered goods <= 144 €	<b>4,44 €</b>	DE			<b>9,99 €</b>	all			<b>14,44 €</b>	all			<b>14,44 €</b>	all			<b>24,44 €</b>	all			<b>34,44 €</b>	all	
	Scale A is valid if the weight of the heaviest article is 15kg maximum (independently how many articles have been ordered) OR the value of all ordered goods is 0,01 - 144,00 Euro																						
<b>B</b> Article > 15,00 kg && Value of ordered goods <= 444 €	<b>9,99 €</b>	DE			<b>14,44 €</b>	all			<b>24,44 €</b>	all			<b>24,44 €</b>	all			<b>34,44 €</b>	all			<b>44,44 €</b>	all	
	Scale B is valid if the weight of the heaviest article is more than 15kg (independently how many articles have been ordered) AND the value of all ordered goods is 144,01 – 444,00 Euro																						
<b>C</b> Value of ordered goods > 444 €	<b>0,00 €</b>	DE			<b>4,44 €</b>	all			<b>9,99 €</b>	all			<b>9,99 €</b>	all			<b>14,44 €</b>	all			<b>24,44 €</b>	all	
	Scale C is valid if the value of all ordered goods is more than 444,00 Euro. That means that transport charges per order are MAXIMUM 1x Scale B

<b>CUSTOMS</b> clearing for exportation	<b>Terms of delivery:</b>																						
	CIP (Carriage Insurance Paid)																						
	<b>The buyer has to take for his account the supplementary cost:</b>																						
	Charges for customs clearance, customs duty and importation VAT. The buyer must pay these charges at destination. Please ask your customs office regarding these charges.																						
	<b>Price components:</b>																						
The VAT, which is included in the total-price will be deducted from total price. We calculate a service charge of 19% of clear-amount for deliveries in third party countries. The service charge includes the issue of a commercial invoice in accordance with the customs-requirements of the country of destination in multiple execution, the customs declaration CN23, declaration of origin, possibly with certificate of origin and maybe the movement certificate EUR1.																							
<b>CONCLUSION: Gross = Net</b>
